

## **Corporate Letting**

Long or short term, Corporate letting can reduce costs and increase productivity dramatically. Finding the right property is key, as local knowledge and a large selection is needed to ensure the right move.

The property teams at the Location Location Group, through excellent Local knowledge and extensive experience, make the process of renting or letting a property as easy and pain free as possible.

Our relationships with most Major agents, Landlords and Developers ensure that we have access to one of the largest selections of property available to businesses for letting and renting purposes, giving you peace of mind that, our service is unparallel to any other agency and we back this with a price promise\* and money back guarantee\*.

We specialise in finding property in the following areas:

- Cheshire
- Staffordshire
- Shropshire

Call our team to discuss your requirements with absolutely No obligation on (01270)625346.
